MAKES IT EVEN EASIER TO HEAR THE SOUNDS THAT MATTER TO YOU

Widex Sound Assist is a sleek and versatile accessory for your hearing aids that fits in the palm of your hand. It can be a table microphone, used as a partner microphone for one-to-one conversations, handle hands-free calls, stream from bluetooth enabled devices, and even be a remote control to adjust your hearing aid settings. Widex Sound Assist also offers telecoil mode, giving the user the benefit of streaming telecoil audio.

Assistance at your fingertips

Easily customize your sound settings from the device or via the Moment app. The app also has guides to help you get the most out of your Widex Sound Assist.
